Texas Girls School Launches “Bids & Bubbly for Bright Futures” to Support Girls in STEM

Austin Community Invited to Digital Silent Auction and Cocktail Reception Benefiting Tuition-Free, All-Girls Public Charter School

AUSTIN, TX – [December 29, 2025] – [The Texas Girls School](#) will host Bids & Bubbly for Bright Futures, a fundraising event featuring a digital silent auction and cocktail reception, on Friday, February 6, 2026, from 5:30 to 7:30 PM at Freda's Seafood Grille, located at 10903 Pecan Park Blvd in Austin.

The evening will bring together community members, families, and business leaders to support Texas Girls School, a new tuition-free, all-girls public charter school dedicated to STEM education. Admission is free, with a cash bar available. Guests may attend in person, participate online, or both at givebutter.com/c/FjLUW.

“We’re very proud of the fact that we’re creating a safe environment where girls are seen, valued and heard,” said Dana Stuart Browning, Founder and Superintendent. “We are so grateful for all of the foundations, grants, and private supporters who help us exist because we could not remain tuition free and open enrollment without additional support.”

Featured Silent Auction Items

The digital silent auction will feature exclusive items designed to excite and inspire bidders, including:

- A guitar signed by Tim McGraw
- Dining experiences at Uchi
- Jewelry from Kendra Scott
- Travel and staycation packages
- Unique local experiences

All proceeds from auction bids will support hands-on STEM learning and enrichment opportunities for students at Texas Girls School.

We are accepting silent auction donations through January 15th. If you are interested in donating an item, experience, or basket, contact ptreasurer@texasgirlsschool.org. All donors will receive a promotional social blast on our socials.

Fund-a-Need Initiative

Community members who prefer to support the school directly may contribute through the Fund-a-Need initiative, which allows donations at any level without bidding. Contributions make an immediate impact on students' educational experiences.
